

A Crafty Way to Support Bethany House

Join friends and supporters of Bethany House on Saturday November 17, 2018 for coffee, tea, light refreshments, and an opportunity to purchase hand-crafted wooden items for holiday gifts or personal use. Bethany House will be hosting Tom Huber, a local woodturner, in a one man show of his hand made items. These items include a large array of bowls, platters, plates, boxes, pens, holiday ornaments, and kitchenware made from local hardwoods. ***One hundred percent of the proceeds of these items will be donated to the support of the Bethany House mission.***

So, mark your calendars and come by the Bethany House Administrative office for the opportunity to purchase unique gifts and help support Bethany House
